

Preventable

SUSTAINABLE CARE FOR RARE TUMOUR RISK SYNDROMES

Agenda

PREVENTABLE MID-TERM CONFERENCE
CHU & CHB – Rouen

3rd October 2024

CHARTING THE ECONOMICS OF HEREDITARY CANCER: FROM THEORY TO REAL WORLD DATA

8:30am - 9:00am: Registration and Welcome Coffee

9:00 am - 10:20 am: Session 1 - Rare Tumour Risk Syndromes (RTRS)

9:00 **Keynote 1: “From genetic diagnosis to cumulative health costs in RTRS: the example of Hereditary Diffuse Gastric Cancer (HDGC)”**

Carla Oliveira - *PREVENTABLE* Coordinator, i3S, Porto, Portugal

9:35 **“Not such a rare syndrome: uncovering the prevalence”**

Adriana Costal – ICO, Spain (Oral communication PREVENTABLE member 1)

9:50 **Oral communication 1: “Li-Fraumeni syndrome: phenotype and care pathway variability”**

Marion Gauthier-Villars – Institut Curie, France

10:05 **Oral communication 2: Selected from submitted abstracts**

10:20am - 10:50am **Morning Break**

10:50am – 12:10pm: Session 2 - Cost-Effectiveness

10:50 **Keynote 2: “Individual Preferences among Patients in Remission from Breast Cancer: a survey in a French comprehensive cancer center (PreSanCA)”**

Thomas Vermeulin – *Department of Medical Information, Centre Henri Becquerel, Rouen, France*

Clémence Thébaut – *Inserm U1094, University Limoges, Limoges, France*

11:25 **“Developing a modelling framework for cost-effectiveness modelling of Rare-Tumour Risk Syndrome”**

Andrew Titman - *Lancaster University, UK* (Oral communication PREVENTABLE member 2)

11:40 **Oral communication 3: Selected from submitted abstracts**

11:55 **Oral communication 4: Selected from submitted abstracts**

12:10pm – 2:15pm: Lunch + Poster Viewing

2:15 **PrevenTalks Roundtable – Science and policy focus event about RTRS for stakeholder outreach (stakeholder map and SWOT analysis)**

3:00pm - 4:20pm: Session 3 – Communication in Healthcare

3:00 Keynote 3: “Empowering patients for informed decisions: principles for effective cancer risk communication”

Yasmina Okan - Department of Communication, Pompeu Fabra University, Barcelona, Spain

3:35 “Improving communication in healthcare: the role of behavioural science”

Marta Marques – UNL, Portugal (Oral communication PREVENTABLE member 3)

3.50 “Bridging the Gap: Empowering Healthcare Managers in RTRS Prevention” (*Communication with healthcare managers*)

Raquel Chantre - Portuguese Association of Hospital Managers, Portugal (Oral communication PREVENTABLE member 4)

4:05 “Creating outreach materials for 8 Rare Tumour Risk Syndromes”

Nuno Marcos - Ipatimup, Portugal (Oral communication PREVENTABLE member 5)

4:20pm – 4:50pm: Afternoon Break

4:50pm - 5:40pm: Closing Session

4:50 Keynote 4: “A journey modelling the cost-effectiveness of genetic cancer testing”

Dr Rosa Legood - Department of Health Services Research and Policy, The London School of Hygiene and Tropical Medicine, London, England

5:25pm – 5:40pm: Closing Remarks (Claude Houdayer and Carla Oliveira)

8:00 pm: Networking Reception/Dinner
